

Mesa Area Photo Directory

AS OF 10/24/2024

This directory serves as a reminder for getting to know our fellow dancers in the Mesa Area. Some live here, some stay for most of the season & some just occasionally visit. We are always happy to see any of them! The following photos are listed in two groups. The first group of dancers are all currently active dancers either here in Mesa or elsewhere. The second group is of dancers that are no longer dancing. Note that there is a heading in front of in-active dancers that is bold and in red and there is a page break. If you wish to be added to the list or have a comment or edit, please contact Pamela Hurd (email contact below).
